Ft. Sill Apaches.

S-1142

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Mescalero, N. Mex. Oct. 14, 1918.

The Commissioner of Indian Affairs,

Washington, D. C.

Dear Mr. Commissioner :

I forward herewith, confirmation of my telegram of this date, reporting the exact number of Ft. Sill Apache Indians now attached to this Agency. The number reported is one hundred eight two.

I forward also a corrected census of these Indians. The preparation of the one you now have was left to the clerk, and he omitted several names that should have been included thereon. The one herewith contains the name of one child that has died since the matter of dividing the "Apache Fund" has been under consideration. The present number of the child is 39. His name is Asa Dallugie, Jr. His death is marked in red pencil.

The Annual report which states that there are 236 of these Indians was prepared by the farmer, and he apparently counted a number of them twice, and the report is in error.

I have gone over the census of these Indians very carefully and the one inclosed is correct, and a division of the fund can safely be made on it.

Your attention is called to the report of several children who have one Ft. Sill Apache parent. There has been some intermarriages between the Ft. Sill and Mescalero Apaches, and all these children are the issue of these marriages, except the child of Ella Duffy Sampson. Reuben Sampson, present number 142 on the census. The husband of Ella Duffy Sampson is a San Carlos Apache, and her child, Reuben, is a half blood Ft. Sill Apache.

I trust this information will enable you to make a division of the "Apache Fund" among these people, and that such division will be made very soon. A number of them are without means of self support, and will suffer for food before winter sets in.

Very respectfully,

Superintendent.

P. S. The total number reported on the inclosed Census is 183. Deducting the one reported dead, leaves 182 living Ft. Sill Apaches.
